## YAMAZAKI 2022 CASK SERIES TSUKURIWAKE SELECTION

The 2022 Yamazaki Cask Series is a collection of four whiskies that lifts the veil on the foundational pillars of Yamazaki single malt.

Tsukuriwake means “artisanship through a diversity of making”, a philosophy that the House of Suntory has embraced in its entirety. The four whiskies of the Yamazaki Tsukuriwake Selection represent the individual elements that make Yamazaki, Yamazaki. From its rich, fruity Spanish oak core to its aromatic Mizunara spice, the gentle smoky layers to the soft and sweet fruit, this series highlights each of the elements – and the considerable skill – that goes into creating an icon.
